

# The Links at Pretty Prairie

We are proud to display the signs of our loyal sponsors and advertise for them at The Links. We want to tell you about the opportunities available but first we want to give you an update on The Links at Pretty Prairie.

A group of local donors created an LLC to lease the course and equipment. Kyle Larson has been hired to manage the clubhouse and organize tournaments. Shawn Spann has been hired as turf consultant. Barry Hendrixson will be irrigating and mowing the greens and volunteers will be mowing the rough, fairways and tee boxes.

A determined volunteer force has worked very hard over the winter and spring months to prepare the course for the 2018 season. We are well on the way to restoring The Links to the high quality it was once known for. In addition to all the hard work, Mother Nature has blessed us with nurturing moisture and we are pleased with the progress on the Greens. Positive feedback from golfers is rolling in.

We are asking that you consider advertising your business on the course and at the same time show your support of golf, The Links and small town business in general. There are great BENEFITS that come along with being a sponsor! If you have any questions please call Katie Belden @ [620-491-0538](tel:620-491-0538) or Connie Hedrick @ [620-459-6497](tel:620-459-6497). Please review the attached form and mail it back at your earliest convenience or you may drop it off with Katie at Floyd Auction & Real Estate.

Hope to see you on the Tee Box!

## TEE BOX SPONSORSHIP

We would like to be a sponsor and have our advertisement on:
